TECH SKILLS

Frontend

- React.js
- HTML
- CSS
- Tailwind
- JavaScript

Backend

- Python
- FastAPI
- Flask
- REST API

Database

- MySQL
- SQLite

Tools & Design

- GitHub
- Figma
- Canva

STRENGTHS

- Design + Dev overlap
- Fast learning & iteration
- Team collaboration
- User-centered thinking
- Consistency

SUMMARY

UI/UX-focused Computer Engineering student with hands-on experience designing digital products, branding assets, and user interfaces. Skilled in Figma and Canva for visual design and prototyping, with the ability to implement designs in React.js and HTML/CSS. Strong visual sense combined with technical knowledge, comfortable taking a product from wireframe to working interface.

PROJECTS

BhasaBridge — Newari Language Learning Platform

Full-stack web app for learning the Newari language. Built REST APIs, dynamic UI components, and a MySQL database schema.

Nepal Job Market Dashboard

Scraped and processed Nepal job listing data and built an ETL pipeline for cleaning and loading into SQLite. Created an interactive Streamlit dashboard with Plotly charts to visualize market trends and in-demand skills.

Hult Prize — Campaign Creatives

Designed posters, social media carousels, and banners with consistent branding and clear visual hierarchy.

WORK EXPERIENCE

Code for Change, Kathmandu

2026 - Present

College Representative

- Represent Khwopa College of Engineering at tech events, workshops, and student engagement programs
- Coordinate with the central team for outreach and community activities

Hult Prize at KhCE

2024-2026

Graphic Designer

- Produced campaign creatives (posters, carousel ads, banners) and maintained visual consistency across channels.
- Created reusable Figma components and style tokens for fast iteration across formats.

Interact Club of Bishnu Memorial

2021 - 2023

IT Head & Secretary

- Managed digital communication and event branding
- Led multimedia and presentation work for major events

EDUCATION

Bachelor in Computer Engineering

2024-Present

Khwopa College of Engineering, Bhaktapur

NEB(+2)

2021-2023

Bishnu Memorial Secondary School, Dharan

CERTIFICATIONS & ACHIEVEMENTS

Winner, Sankalpa Hackathon

2026

Participant of Codeyatra 2.0, HCOE & IT Meet, KU

2026
